Applicant's Statement

YCC is an Equal Opportunity Employer

I am familiar with the YCC program and interested in working in the outdoors to develop and maintain the natural resources of the United States. If selected, I will obtain a work permit if required. I have or am applying for a social security number. I am a permanent resident of the United States or its Territories or possessions. I do not have a history of serious criminal or other antisocial behavior that might jeopardize my safety or that of others. I certify that all information I have given above is true and correct to the best of my knowledge. I have not participated in any YCC program for more than 3 weeks in the past, nor have I submitted duplicated applications. Incorrect statements constitute grounds for immediate dismissal. You have my permission to give this application to any YCC official for whose camp I am selected.

Training Requirement:

The USFWS requires that all employees traveling on aircraft over bodies of water participate in a day long Water Ditching and Survival course. Half of the day is spent in the classroom and half of the day will be spent in a pool. The class includes the use and familiarization of personal flotation devices (PFDs), life raft use and water survival techniques. The student will experience a water dunker that puts them in a simulation of a ditched aircraft. Note: For the pool portion of this module, students are encouraged to wear what they would normally wear while flying. This is an organized class with a lot of support and encouragement from instructors and classmates.

To be a part of the Youth Conservation Corps, students must take and complete this course. It is a full day class provided free to selected YCC student hires. It will most likely be offered on Saturday May 16th in Kodiak.

Are you available and willing to complete this course requirement for employment? Yes ☐ No ☐
